Gentleman,

After the feedback I have received a mid-week evening AGM would have proven unsuccessful to that end we will return to a Saturday meeting at the WOs' & Sgts' Mess at Swinton Barracks. The details are below:

- Date: 18 March 2017
- Time: Arrive at 1130 for approximately 2-3 hours
- Location: 22 Engr Regt WOs' & Sgts' Mess, Swinton Bks, Perham Down, Andover, SP11 9LQ.
- Food: Roast dinner

Could you get back to me by 16 Dec 16, if your branch will be attending, rough numbers and any questions? This is an initial calling notice, I will expect exact numbers and give out greater detail closer to the event.

If people would prefer something different ie: dates, timings, food, location please let me know and I will see what I can do.

If I don't speak to you before I wish you all a fantastic Christmas and a Happy New Year.

Regards

Paul Carney
