Subject: RE: REA Management Committee Meeting

Can you please fwd the following information to all REA branches, apologies for the changes, we are ever evolving this end as we approach 10 Jun 16.

PSB, V2 of the MEL for the Chilwell wkend, Maj General Dickinson's availability has shifted slightly hence the movement of the standard bearers competition and medals parade. The following administrative points should also be considered:

- Due to on-going works in Chilwell station over the period of Chilwell wkend, caravans and motor homes are welcome, however power cannot be provided; exact parking details will be issued on arrival.
- Should any branch want to enter the standard bearers competition, **returns must be sent immediately to WO2 Williams** on 170ENGR-43SQN-ISWO (Williams, Andy WO2) [170ENGR-43SQN-](#)

ISWO@mod.uk. Teams are not to arrive on the day expecting to enter without prior notice.

- There is an opportunity for REA personnel to be awarded any outstanding awards during the medals parade by the inspecting Offr – Maj Gen Dickinson, this must be coordinated prior; all requests direct to myself on 170ENGR-HQ-RSM (Webster, Steven WO2) 170ENGR-HQ-RSM@mod.uk.
